

ALFOLD PARISH COUNCIL

17th June 2022

Mr. Zac Ellwood
Head of Planning
Waverley Borough Council
The Burys
Godalming
GU7 1HR

Dear Mr. Ellwood,

Re: Local Plan Part 2 Consultation – Alfold Parish Council’s response.

Alfold Parish Council (APC) has considered the pre submission document Local Plan Part 2: Site Allocations and Development Management Policies along with the Inspector’s Matters, Issues and Questions 29 April 2022 and would like to make the following comments, in addition to those on our previous letter dated 29th January 2021:

1. Matter 14 - Transport - Protection of Downlink Path Corridor (DM33) - in support - we are including a policy on this in our Neighbourhood Plan and support the Council's position.
2. Matter 10 - Traveller Accommodation – Gypsy, Roma, Traveller site allocations - we note that the Inspector has not raised any questions about the zero allocations at the Stovolds Hill sites, which we support. We continue to strongly oppose any expansion of these existing large sites which dominate the nearest existing settled community, against the advice of National Planning Policy for Traveller Sites.

I would be grateful if you could take these comments into consideration when further developing your latest Local Plan.

Yours sincerely

Julie Flenley
Clerk to Alfold Parish Council
