Dear Sir/Madam,

**Esso's Southampton to London Pipeline Project – Preferred Route Statutory
Consultation
Consultation under section 42 of the 2008 Planning Act**

Waverley Borough Council (the Council) understands that it is being consulted as part of this consultation under the 2008 Act as a neighbouring Local Authority.

You will be aware that earlier this year, the Council previously expressed grave concerns about the impacts on Waverley businesses and residents from one of the route options that was being considered in the east of the Borough. However, as stated in a response dated 17th August 2018, the Council is satisfied that now that the chosen route is outside of the Borough of Waverley, impacts on our residents will be avoided. The Council notes that there will be further details published for consultation early next year and it will review these closely to ensure that there are minimal impacts on our residents during the construction phase.

Yours faithfully

Graham Parrott
