

## Water Interruptions in South Haslemere

Sunday 13 April 2025

On Sunday 13 March 2025, Multiple Thames Water bowzers appeared in Haslemere in the area at Denbigh Road, Haslemere (commencing 09:25) and later at the Blackdown reservoir at 10:25 with vehicles still on site at 4pm. Denbigh Road is immediately opposite Red Court and Phase 1 site.

The engineers reported that they are topping up the reservoir again.

Water Bowsers at Denbigh Road Water Point 13/04/2025 09:25

Thames Water at Blackdown Reservoir 13/04/2025 10:25

This action by TW is carried out three to four times per year when severe interruptions occur or are about to occur and the area suffers water stoppages or has a greatly reduced pressure.
